OPT Application Review
Reviewed 9/21/2020
Overview

Please use this guided review along with the OIS Guidelines for Completing the I-765 to complete your application materials.

Ultimately, it is your responsibility to carefully review the I-765 form and instructions and to properly complete and file your application.

The purpose of this review is to provide general guidance and examples for your initial OPT application; it is not a guarantee of acceptance or approval.

OIS staff are not able to predict USCIS adjudication decisions or eliminate all variability or unknowns in USCIS processing.
Please note that this guidance is for initial 12-month OPT applications only. There are differences for STEM OPT applications. Please refer to the USCIS I-765 instructions, the OIS Guidelines for Completing I-765, and the STEM OPT webpage for further instructions about STEM applications.
These are all of the documents needed for a complete OPT application:

1. G-1145
2. I-765 (you must include all 7 pages, even if some are not applicable to you)
3. Payment (check or money order) - Stapled to page 1 of I-765
4. Passport-style photos - Paper-clipped to page of I-765
5. Copy of most recent I-94
6. Copy of front and back of any previously issued EAD (if any)
7. Copy of most recently issued passport bio page
   a. If your visa is in a previously expired passport you do NOT need to include your old passport bio page
8. Copy of visa page (expired visa is OK and you don’t have to include a copy of your passport page with the admission stamp)
9. Copy of I-20 with OPT recommendation
10. Copies of other I-20s showing OPT or CPT.
1. G-1145

The purpose of this form is to give USCIS permission to update you electronically (text or email) about your application.

The text/email doesn’t confer any immigration status or benefit. It just provides information earlier than you would receive the paper notice.

OIS strongly recommends you include this form in your application.

OIS recommends you fill out the form by typing rather than handwriting to ensure your contact information is legible.
2. I-765

Make sure you’re using the most recent version of the I-765 which can be found at [www.uscis.gov/i-765](http://www.uscis.gov/i-765).

OIS strongly recommends you type in your answers rather than writing by hand. But, if you choose to write in by hand, you must use black ink.

Note: Some fields are limited in character length or will not accept certain types of characters. It is OK to type all the other fields and then complete by hand those sections that the form won’t let you type.

Don’t forget to sign and date the I-765 after you print!!
I-765 and non-applicable fields

The I-765 form instructions state: Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks, “Provide the name of your current spouse”), type or print “N/A” unless otherwise directed.

OIS recommends that you follow these directions throughout the I-765. Follow the directions within the form if it says to skip fields.

If your pdf editor does not allow you to type N/A in a field, you can handwriting it in black ink afterwards.

For entire pages that do not apply to you can write a large N/A over the whole page (examples are later in the presentation).
I-765 Page 1: Reason for Applying

Initial 12 months of OPT:
Box 1.a. Initial permission to accept employment.

Even if you have applied for OPT before at a previous degree level, still check box 1.a.
I-765 Page 1: Names

1.a.-1.c. Type or print your full legal name as it appears on your I-20 and/or passport.

Items 2.a – 4.c. Type or print all other names you have ever used, such as a maiden name, “FNU,” previous legal names, etc.
**Your U.S. Mailing Address:** This is where USCIS will send all paper notices and the EAD.

Make sure you can access this address for the next 5 months.

If you are not registered to receive mail at the address you list as your mailing address (i.e. you're using a friend or family member's address and you don't actually live there and receive all your mail there), enter the name of the person who is in 5.a.

“In Care Of Name” means “this person has my permission to receive my mail.”

I-765 Mailing Address

At this time, we have a reduced ability to collect and distribute mail from USCIS in a timely manner and cannot guarantee there will not be an interruption to our mail service. Therefore, you cannot use OIS as your mailing address.

If you do not think your own address will be reliable for the next 5 months, we suggest you use a friend’s address.

FAQs about Arrival Information

- Something about my I-94 is incorrect. What do I do?
  - Contact us at ois@ncsu.edu and we can help you get it corrected. We recommend you wait until it is corrected to submit your OPT application.

- My visa is in a different passport than my current one. What do I do?
  - You need to put the passport number of your most recently issued passport in question 21.b. It is okay if this is different from the passport your visa is in and the passport you used when you last entered. You do not need to submit a copy of your old passport either.

- You have been authorized for CPT (Part time or Full time)
- You have filed for OPT before (including filing for OPT and withdrawing)

Page 7 FAQs

• I have done multiple CPTs. Do I have to put each individually?
  – Generally yes, put one CPT instance per section when the CPTs aren’t continuous dates or don’t have the same full or part-time status
  • Example of non-continuous dates (list each in different section): 5/20/2019 - 8/10/2019 and 1/6/2020 - 5/1/2020
  • Example of continuous dates but different full/part time status (list each in a different section). 6/1/2019 - 8/15/2019 Full time; 8/16/2019 - 12/10/2019 part time

• I have extended my CPT. How do I write that?
  – If the dates are continuous and both CPTs were the same part time or full time status, you can put down the dates for the entire length of your extended CPT period in one section. You do not need to split it into two sections. Include copies of both I-20s issued for that CPT.

• You can include multiples copies of page 7 if you need more spaces. Sign and date each additional copy of page 7 as well.
3. I-765 Fee

Make sure you are using the correct amount as is listed on the USCIS website. The fee amount is increasing from $410 to $550 on October 2, 2020. All applications postmarked on or after October 2 must have the new fee amount.

Staple the fee to page 1 of the I-765.
I-765 Fee

Options:

• Money Order (you can get it from a grocery store or gas station) - include your current address & sign the front; do not sign the back.

• Cashier’s Check (you can get from your bank - you give them money and they write the check from the bank’s account).

• Personal check (only use if you have a checking account with an actual checkbook); Do not use a starter check.

Do NOT sign the back of any of the above forms of payment (only the entity or person receiving the funds signs the back)!

Starter checks are often issued as 3 or 4 checks on a single sheet. Do NOT use this to pay the fee because USCIS has difficulty electronically processing them and if unsuccessful, your application will be rejected.

Detach the receipt portion of the money order for your records.
4. Photos

Photo guidelines:

• Two identical color passport-style photos of yourself taken within last 30 days

• Full face, frontal view, on a white to off-white background.

• No glasses; your head must be bare unless you are wearing headwear as required by a religious denomination of which you are a member.

• Printed on thin paper with a glossy finish, unmounted and unretouched.

Using a pencil or felt pen, print the following on the back of each photo:

- Name
- SEVIS # or I-94 #
Photo Examples

Visit this page for examples of acceptable and unacceptable photos:
https://travel.state.gov/content/travel/en/passports/how-apply/photos.html

Only use this page for examples of acceptable/unacceptable photos. For photo guidelines, refer to USCIS instructions, especially regarding how recently photo has been taken.
Assemble all of your materials in this order:

1. G-1145
2. I-765 - include all pages, even if they are not applicable to you (check stapled to page 1; photos paper clipped to page 1)
3. Copy of I-94
4. Copy of front and back of any previously issued EAD (if any)
5. Copy of most recently issued passport bio page
6. Copy of visa page (expired visa is OK and you don’t have to include a copy of your passport page with the admission stamp)
7. Copy of I-20 with OPT recommendation
8. Copies of other I-20s showing OPT or CPT. (No other I-20s are necessary)
Application Tips

• Make sure your documents (especially scans of documents) are clear, legible, and not too dark or blurry.
  – If you aren’t sure, show it to a friend and ask if they can read it clearly. If they can’t, consider making a clearer copy

• You only need to staple the payment to your I-765 and paperclip the photos to the I-765. Any other staples and paperclips are not required. If you’ve already stapled documents, it’s fine to leave them stapled.
Reminders

• USCIS must receive application within 30 days of date OIS issued OPT I-20 (refer to date of OIS staff signature on page 1 of the I-20).
  – Note: You do NOT have to receive the paper receipt notice back from USCIS within 30 days, rather, your application just needs to arrive at and be accepted by USCIS within 30 days of I-20 issuance.
• If you are unable to mail your application to arrive at and by accepted by USCIS within 30 days, contact OIS for a new OPT recommendation I-20.
• Make a copy of your entire application before mailing it.
• Mail your application to the proper filing location (refer to first page of Mailing & Responsibilities).
• Do not leave U.S. until you receive the paper receipt notice.
• Check your receipt notice for accuracy when it arrives.
Issues

• If you do not receive your receipt notice within 30 days, contact OIS.
• If you think there may be an issue with your application after you have already mailed it (such as you forgot to include a support document or sign I-765), contact OIS immediately to speak with an advisor before doing anything else.
• If you think there may be an issue with your application, do NOT try to intercept delivery of your application or resolve the issue through USCIS until you have discussed your case with an OIS advisor.
• If you receive a Request for Evidence (RFE), a denial, or if the entire application is returned to you, contact OIS immediately to speak with an advisor before doing anything else. In some cases, you may need a new I-20 from OIS in order to have your case approved.
