OIS Guidelines for Completing Form I-765

Important Information

• These guidelines have been prepared by the Office of International Services (OIS) for F-1 students applying for Optional Practical Training (OPT) or OPT extension (STEM OPT). These guidelines are based on OIS’s best practices and interpretation of USCIS’s Instructions for Form I-765. We strongly recommend that you review USCIS’s Instructions for Form I-765 yourself before completing this form. It is especially important to review the following sections of the Instructions:
  o Foreign Students Categories
  o General Instructions
  o Required Documentation
  o What is Filing Fee?
  o Where to File?
  o Address Change
  o Processing Information

The Instructions are available at https://www.uscis.gov/i-765.

• These guidelines are based on the 12/26/19 version of Form I-765.

• These guidelines only cover the items of Form I-765 that can be confusing. Make sure to provide answers to all applicable items regardless of whether they are covered in these guidelines.

• It is your responsibility to complete and file Form I-765 properly and in a timely manner. OIS is here to help you with advice, but not to share the responsibility with you.

• Make sure to check the date of issuance of your I-20 before filing your OPT application:
  o For students applying for the initial 12-month OPT: USCIS must receive your Form I-765 and all supporting documentation within 30 days of the date that OIS issues your I-20 with an OPT recommendation. If you fail to do so, USCIS will deny your OPT application.
  o For students applying for the 24-month STEM extension (STEM OPT): USCIS must receive your Form I-765 and all supporting documentation within 60 days of the date that OIS issues your I-20 with a STEM OPT
recommendation. If you fail to do so, USCIS will deny your STEM OPT application.

- USCIS must receive your OPT application while you are physically present in the U.S. in your F-1 status. OIS strongly recommends that you stay in the U.S. until at least you get the official Receipt Notice from USCIS before planning any international travel. The best practice is to wait for your Employment Authorization Document (EAD) card before travelling out of the U.S.

Part 1. Reason for Applying

If you are applying for the initial 12-month post-completion OPT: select 1.a. (Initial permission to accept employment).

If you are applying for the 24-month STEM OPT extension (STEM OPT): select 1.c. (Renewal of my permission to accept employment).
Part 2. Information About You

Your Full Legal Name

**Items 1.a – 1.c.** Type or print your full legal name as it appears on your I-20 and passport.

Other Names Used

**Items 2.a – 4.c.** Type or print all other names you have ever used, such as a maiden name, “FNU,” previous legal names, etc. If you need extra space, use the space provided in *Part 6. Additional Information*.

Your U.S. Mailing Address

**Items 5.a – 5.f.** This is the address USCIS will use to mail you documents related to this application, including the official Receipt Notice and Employment Authorization Document (EAD) card. If you are using someone else’s mailing address, make sure to include their name in the “In Care Of Name” field. **Please do not use the OIS mailing address in this field!** With the COVID-19 situation in flux, OIS cannot guarantee that there will not be an interruption in our mail service.

If the mailing address you indicated on your Form I-765 changes after you send your application to USCISs, you will need to submit the **USCIS’s online Change of Address form**.

You should also file an online change of address with the postal service on the **USPS website**.

**Item 6.** If your physical (home) address is different from the mailing address listed in Items 5.a. – 5.f., check “No” in this item and complete Items 7.a. – 7.d. If your mailing address is the same as your physical address, check “Yes.”

U.S. Physical Address

**Items 7.a – 7.d.** If you answered “No” to Item 6, provide the address where you currently live. USCIS will not use this address to mail your documents. If you answered “Yes” to Item 6, you can leave Items 7.a. – 7.d. blank.

If the physical address you indicated on your Form I-765 changes after you send your application to USCISs, you will need to submit the **USCIS’s online Change of Address form**.
Other Information

Item 8. Alien Registration Number (A-Number) is only applicable to you if you have been issued an EAD in the past. All students applying for the STEM OPT extension should have this number. A-Number is the same as USCIS Number. You will find it on your EAD (listed as “USCIS#”). If you are applying for the initial 12-month OPT and have never been issued an EAD before nor have you been assigned the A-Number for any other reason, you can leave this field blank or type/print “None.”

Item 9. Most likely, you don’t have a USCIS online account number. Leave this field blank or type/print “None” unless you know that you have a USCIS online account.

Item 12. If you answered “Yes,” make sure to include copy/copies of your previous EAD(s).

Items 13.a – 13.b. If you have ever been issued a Social Security card (even if it was issued in your previously used name, such as your maiden name), you must check “Yes” in Item 13.a. and enter your Social Security Number (SSN) from the card in Item 13.b. Otherwise, answer “No” to Item 13.a. and skip to Item 14.

Items 14 – 15. You are not required to request a Social Security card using Form I-765, so you can answer “No” to this item even if you don’t have an SSN yet. You can apply for a Social Security card separately at a later date. However, remember that you must have an SSN properly assigned in your name to work in the United States. For more information about a Social Security number, please visit our SSN webpage.

If you want the Social Security Administration to assign you an SSN and issue you a Social Security card, or issue you a new or replacement Social Security card using Form I-765, answer “Yes” to both Item 14 and Item 15.

Items 16.a – 17.b. If you answered “Yes” to Items 14 and 15, you will need to provide your father’s and mother’s names in Items 16.a – 17.b. Otherwise, type/print “N/A.”

Your Country or Countries of Citizenship or Nationality

Items 18.a – 18.b. The country of citizenship listed on your Form I-765 should match the country of citizenship on your current passport(s).

Place of Birth
