Packing Up Pre-Arrival Session

Final Q&A and Orientation Sneak Peek

Session Logistics

Please introduce yourself in the chat! This has helped past groups make connections with other new students.

You can submit your questions through the Q&A (Question and Answer) feature and we will answer as many as we can during the Q&A portion of today's session.

You can use the thumbs up feature to upvote questions your peers have asked. This will make it easier for panelists to see and more likely that you will hear a response.

A recording of this session will be posted on our Packing Up webpage.
